

When you need short-term rehabilitation or are considering longer-term residency, consider:

# Chase center

rehabilitation and nursing services

**Exceptional care from compassionate caregivers.**

## Do Rehab Right

Guided by skilled and certified occupational, physical and speech therapists, rehabilitation at Chase Center is focused on you, your needs and your quick return to activity, independence and home.

We'll not only follow doctors' orders, we'll cheer you on and help you maintain a positive, healing attitude. You'll return home ready to resume your busy life.

*"I could have gone home instead of to rehab, but who wants the burden of all the details, monitoring and getting to physical therapy. A short stay at Chase Center, and I was ready to get back into life on my terms."*

ROBERT SPAULDING

## Reap the Benefits of Good Living

Chase Center is all about great days, from skilled care tailored specifically to you, to casual, home-like living.

You'll appreciate:

- First-rate rehabilitation services
- Well-staffed skilled nursing care
- A clean, pleasant, warm environment
- Sunlight streaming in the windows
- The company of colorful singing birds in our aviary
- Fun activities.

You and your family will enjoy peace of mind, too, knowing excellent care is our hallmark. And you can welcome visitors anytime, day or night.

*"Caring about others is my passion. I bring much more than education and skills to Chase Center. I bring a deep respect for our residents and a desire to help them live fully every day."*

SANDY FRY, 30 YEARS WITH CHASE CENTER

## Dine in Style

At Chase Center, mealtimes are fun times. From the array of choices to the finely set tables, we're at your service. Healthy and delicious fare tops the menu, served when you want to eat.

Seeking company? Our dining room and community areas offer opportunities for conversation, and a daily lunch buffet offers a variety of choices.

If you'd rather find some quiet, we're happy to serve you in your room.

*"Moving from my long-time home wasn't easy. But because I chose Chase Center, it was easier than I thought it would be. The care, the food, the comfort—they're all first-rate, and I appreciate that. So do my children."*

MILDRED BUZBEE

*You'll appreciate our great care and comfortable way of life.*

## Enjoy Your Stay

Built in 1975, well-maintained and frequently upgraded, Chase Center is all about our residents, as family.

Operated since its founding by a family business with generations of experience at multiple locations, Chase Center is well-regarded for its superior care and comfortable environment.

Housing is limited to just 101 residents, because we feel that creates an intimate yet lively environment.

Daily activities satisfy a variety of interests and include:

- Music therapy
- Community outings
- Internet-based activities with I-pads
- Religious services

## Let Us Handle the Red Tape

The financial hurdles of private insurance, Medicaid and Medicare can be challenging. Turn the details over to us! Our staff is well-versed in these matters and happy to help you understand and navigate them.

## Choose Chase Center

Known throughout the region for our focused care, pleasant setting and warm interior, Chase Center is one of the region's best choices for rehabilitation or long-term care.

See for yourself. We invite you to take a tour, stay for lunch and enjoy a group activity. You'll feel right at home.
